

E_Scblty

A dashed red line with a red arrowhead pointing to the right, forming a self-loop on the node E_Scblty.

E_EnerLev

A dashed blue line with a blue arrowhead pointing to the right, forming a self-loop on the node E_EnerLev.

cumsumT

C_Rspnbl

A dashed blue line with a blue arrowhead pointing to the right, forming a self-loop on the node C_Rspnbl.

A_Cmpn

A dashed blue line with a blue arrowhead pointing to the right, forming a self-loop on the node A_Cmpn.

C_Prdctv

A dashed blue line with a blue arrowhead pointing to the right, forming a self-loop on the node C_Prdctv.

A_Rspct

A dashed red line with a red arrowhead pointing to the right, forming a self-loop on the node A_Rspct.

N_EmoVol

A dashed blue line with a blue arrowhead pointing to the right, forming a self-loop on the node N_EmoVol.

N_Anxty

A dashed blue line with a blue arrowhead pointing to the right, forming a self-loop on the node N_Anxty.

N_Depr

A dashed blue line with a blue arrowhead pointing to the right, forming a self-loop on the node N_Depr.
